Average student • Likes to have a good time • Wishes he could talk to his older brother more often • Spaghetti and meatballs is his favourite meal • Wants to learn to play euchre • Has seen every episode of "Star Trek: The Next Generation" at least twice • Wants to become a teacher • Gets angry when he hears people say that HIV/AIDS isn't a big deal anymore

How could someone like me be HIV positive?

Anytime. Anywhere. Anyone. HIV/AIDS does not discriminate.
