## disclaimer

The Canadian HIV/AIDS Clearinghouse, a program of the Canadian Public Health Association (CPHA), provides information resources on HIV prevention, care and support and a range of other HIV/AIDS topics on behalf of Health Canada and partners in the Canadian Strategy on HIV/AIDS. These resources are provided to individuals and organizations working in the areas of HIV education, awareness and prevention, as well as those infected and affected by HIV/AIDS. We do not recommend or advocate any specific approach to prevention or care and support. While we update our material regularly, users should be aware that information changes rapidly. Material obtained through the Clearinghouse may not necessarily be the most current information available. Therefore, we urge users to consult a broad range of information and/or contact us at 1-877-999-7740 for more details. Users relying on this information do so entirely at their own risk. The Clearinghouse, CPHA and Health Canada do not accept any responsibility for damage that may result from the use or misuse of this information. The views expressed herein are solely those of the authors and do not necessarily reflect the official policy of the Minister of Health Canada.

## avertissement

Le Centre canadien de documentation sur le VIH/sida, un service de l'Association canadienne de santé publique (ACSP), fournit des ressources d'information sur la prévention du VIH, les soins et le soutien connexes, ainsi que toute une gamme de renseignements sur le VIH/sida, au nom de Santé Canada et des partenaires de la Stratégie canadienne sur le VIH/sida. Ces ressources sont fournies aux personnes et aux organismes qui travaillent dans les domaines de l'éducation, de la sensibilisation et de la prévention du VIH, ainsi qu'à ceux qui sont infectés et affectés par le VIH/sida. Nous ne cautionnons pas, ne recommandons pas ni ne préconisons aucune méthode spécifique de prévention, de soins et de soutien. Bien que nous nous efforcions de mettre régulièrement à jour nos ressources, les usagers du Centre ne doivent pas oublier que l'information évolue rapidement. Ainsi, les ressources fournies par le Centre de documentation peuvent ne pas correspondre à l'information la plus à jour qui soit disponible. Ces ressources peuvent comporter des inexactitudes techniques ou des fautes d'orthographe. De façon périodique, nous apportons des changements à l'information, lesquels seront donc intégrés par la suite sous forme d'ajouts à la publication. En conséquence, nous prions les usagers de consulter une vaste gamme d'informations et (ou) de se mettre en rapport avec nous au 1-877-999-7740 pour en savoir plus. Les usagers qui se fient à cette information le font entièrement à leur propre risque. Le Centre de documentation, l'ACSP et Santé Canada ne peuvent assumer aucune responsabilité pour tout préjudice résultant de l'utilisation ou de la mauvaise utilisation de cette information. Les points de vue qui y sont exprimés sont exclusivement ceux des auteurs et ne reflètent pas nécessairement la politique officielle du ministère de la Santé du Canada.

## annotated bibliography: **hiv prevention and men**

This annotated bibliography of published HIV prevention resources for men is produced by the Canadian HIV/AIDS Clearinghouse. The resources listed include pamphlets, factsheets, books, reports, posters and videos. Each listing includes the title, abstract, intended audience, author, publisher, date published, physical description, call number and collection (distribution and/or loan).

All of the resources listed are available in our distribution and/or loan collections. Single copies of distribution items are available free of charge (shipping charges apply on orders of multiple copies). All materials in our loan collection are available for borrowing. Our lending period is three weeks (this can be extended in special circumstances). Loaned resources are mailed to the borrower free of charge. Return postage is the responsibility of the borrower. For more information on our distribution and lending policies please contact us (see previous page).

The Clearinghouse also conducts literature searches. We search our own collections and other databases to help you locate the HIV/AIDS resources you need. You can also conduct your own search of our collections at our web site [www.clearinghouse.cpha.ca](http://www.clearinghouse.cpha.ca). For more information, contact our Library and Reference Services department.

Special thanks to the Canadian AIDS Society for reviewing this document.

The resources in this bibliography are on the prevention of HIV/AIDS and men (heterosexual, gay, msm, etc.) organized by format, available on loan from our library. The references in the last section on journal articles are the result of a search in AIDSline CD-Rom. Please contact your university or hospital library to obtain these journal articles.

## bibliographie annotée : **les hommes et la prévention du vih**

Cette bibliographie annotée des ressources sur la prévention du VIH pour les hommes a été réalisée par le Centre canadien de documentation sur le VIH/sida. On trouve dans cette bibliographie des brochures, des feuillets d'information, des livres, des rapports, des affiches et des bandes vidéos. Chaque entrée donne le titre, un résumé, l'auditoire ciblé, l'auteur, l'éditeur, la date de publication, une description matérielle, le numéro de référence et la collection (prêts et (ou) distribution).

Toutes les ressources énumérées sont disponibles dans notre collection de prêts et (ou) dans celle de distribution. On peut obtenir gratuitement un seul exemplaire des ressources de la collection de distribution (des frais d'expédition sont facturés pour les commandes d'exemplaires multiples). Toutes les ressources de notre collection de prêts peuvent être empruntées. La période de prêt est de trois semaines (et peut être prolongée dans des circonstances particulières). Les ressources prêtées sont expédiées gratuitement à l'emprunteur, lequel doit toutefois prendre à sa charge les frais postaux de réexpédition. Pour en savoir plus sur nos politiques de prêt et de distribution, veuillez vous mettre en rapport avec nous (voir la page précédente).

Le Centre de documentation peut également effectuer des recherches bibliographiques. Ainsi, nous faisons des recherches dans nos propres collections et dans d'autres bases de données pour vous aider à localiser les ressources sur le VIH/sida dont vous avez besoin. Vous pouvez également faire vos propres recherches dans nos collections à partir de notre site Web [www.clearinghouse.cpha.ca](http://www.clearinghouse.cpha.ca). Pour en savoir plus, mettez-vous en rapport avec nos Services de bibliothèque et de référence.

Un merci tout particulier pour la révision de cette bibliographie à la Société canadienne du sida.

Les ressources dans cette bibliographie qui portent sur la prévention du VIH et les hommes (hétérosexuels, gais, HRH, etc.) sont organisées par format et sont disponibles sur prêt à notre bibliothèque. Les références d'articles de périodiques qui se retrouvent dans la dernière section, sont tirées d'une recherche effectuée dans le CD-Rom AIDSline. Veuillez contacter votre bibliothèque universitaire ou d'hôpital pour obtenir ces articles de périodiques.
